## **What is OneLife LA?**

Doors open at 12:00PM at the Kiosko at La Placita Olvera. The program begins at 12:30PM followed by a walk through downtown LA and ending with a family-friendly picnic with music, entertainment, food trucks, and exhibits from community organizations.

We anticipate 20,000 participants from all across Southern California!

OneLife LA invites all people to join us in declaring our uncompromising commitment to valuing and protecting all human life, particularly the most vulnerable in our community.

We are partnering with organizations that feed the homeless, liberate trafficking victims, find adoptive families for foster children, provide life-affirming services for pregnant women, include those with special needs, and accompany the dying through their final days.
